

PRIVACY POLICY

USE AND DISCLOSURE OF DATA

The information contained in this due diligence package is proprietary in nature and should be disclosed only to those individuals within your organization. This proprietary information should not be disclosed outside of your organization without the written consent of Invo Solutions.

Invo Solutions Privacy Policy

This privacy policy document applies to all Invo Solutions products. This document explains what information we collect from our products, how this information is used by our organization, and who we share this information with.

What information do we collect?

Invo Solutions collects the following information from users using our products:

- ⚙ *First name*
- ⚙ *Last name*
- ⚙ *Email*
- ⚙ *Phone number*

Along with these items, we also utilize browser cookies in our software to save items such as session tokens and preferred view (dark or light mode).

How do we use this information?

The information collected from our products is used for identification of users on our products. Browser cookies are used to save user preferences and sessions for ease of access in our software.

Who do we share this information with?

We do not share any user information with third parties. All information collected is used for internal use within our software.
